EXHIBIT REGULATIONS

The AMS Exhibit Program conforms to the rules and regulations of the International Association of Exhibitions and Event (IAEE) with one exception, noted below. AMS will designate Official Contractors to provide various services to the exhibitors. Such contractors will provide exhibit services, except supervision. The Exhibitor shall provide only the material and equipment he/she owns to be used in his exhibit space. All other items used in the booth are to be provided by the Official Contractors.

AMS has been following IAEE's Guidelines for Display Rules and Regulations for many years. This includes regulations on such things as lighting, sound/music, storage of excess materials and height of booth structure/signage. The IAEE standard for booth and signage height reads as follows for Island Booths: "Use of Space -- The entire cubic content of the space may be used up to the maximum allowable height, which is usually sixteen feet (16'), including signage."

For the upcoming AMS 96th Annual Meeting we will be extending the regulation height on signage. While the booth structure will remain at 16 Ft., the signage height is being raised to 20 ft. This means if you are now allowed to hang your sign 20 ft. above the floor (measurement taken from the top of the sign to the floor).

POSTER PROGRAM

The Poster Program for the AMS Annual Meeting will be co-located in the hall with Exhibits. During official Exhibit hours, access to both Exhibits and Posters will be through the doors in front of aisle 100/200 only.

SECURITY

Security personnel will monitor the exhibit hall 24 hours a day. However, exhibit material is the sole responsibility of the exhibitor and should be insured by the exhibitor against loss or damage. All booth staff, install & dismantle personnel and attendees will be required to show a badge to gain access to the Exhibit Hall at all times.

CONFERENCE HOURS/TRAINING SCHEDULE

Vendor training should be schedule during non-conference hours for the General Conference Attendance. It can be done on a one-on-one basis during conference hours. Please note, conference hours include exhibit hours, technical sessions, receptions, conference banquet and outings. Please see conference program for a complete list of session times.
