

## Student Award Evaluation - Judging Rubric

**Presentation Title:**

**Presenter Name:**

**Presentation Type: (circle one)** Oral      Poster      ePoster

**Education Level: (circle one)** Undergraduate      Graduate

**Please rate the presentation using the following criteria and the rating scale of 1-4:**

**1**

**2**

**3**

**4**

Does not meet expectations

Meets Expectations

Exceeds Expectations

Far Exceeds Expectations

Is the study an original research question?

1      2      3      4      5

Does the researcher present an appropriate amount of background knowledge of the subject?

1      2      3      4      5

Do the research findings add to the body of knowledge on the topic?

1      2      3      4      5

Do the conclusions drawn by the student agree with the data?

1      2      3      4      5

Were the student's statements backed up by sufficient data?

1      2      3      4      5

Prospects for future studies or applications of the conclusions discussed

1      2      3      4      5

How well does the student express the significance of their research study?

1      2      3      4      5

Extent to which the project was initiated and implemented by student

1      2      3      4      5

Does the student demonstrate a mastery of the subject material? (lack errors, appropriate responses)

1      2      3      4      5

References used were stated clearly and used effectively

1      2      3      4      5

Did the presenter give a variety of views of the research topic, other than their own?

1      2      3      4      5

Overall design of the presentation / Appropriate use of graphs and/or tables illustrating the results

1      2      3      4      5

Is the presentation clearly organized (abstract, methods, results, conclusion, literature)?

1      2      3      4      5

Are materials presented in a visually appealing fashion? (graphics, font, color)

1      2      3      4      5
