

21st Annual Student Conference Sponsorship Opportunities

22–27 January 2022

The 21st Annual Student Conference will have several sponsorship opportunities available for companies who want to take the lead in supporting our community's future scientists. Don't miss out on this chance to be recognized and make an impression on these students!

Student Luncheon \$10,000 Saturday 22 January (Exclusive-Reserved for Career Fair Exhibitors)

This luncheon will be one of the largest student events in Houston. Your support provides a great meal to the student attendee's and your company a chance to address the group! *Sponsorship of the luncheon will also grant Gold benefits recognition at the Annual Meeting and include time to provide introductory remarks.*

21st Student Conference Career Fair & Networking Event \$2,000 (Reserved for Career Fair Exhibitors)

These students are the most energetic group at the Annual Meeting and eager to chart the course of their education and careers. Sponsor and engage graduate and undergraduate students who are deciding where to take the next step in their educational and professional lives. *Sponsors will receive a table at the event and Contributor benefits at the Annual Meeting.*

21st Annual Student Conference \$10,000 (Exclusive)

Be a part of the main event of student attendees in Houston. The 2022 theme is "Securing the Future: Guiding Tomorrow's Leaders in the Weather, Water, and Climate Enterprise". *Sponsors will be recognized at the event and receive Gold benefits at the Annual Meeting.*

Student Breakfast \$5,000 (2 available Saturday & Sunday)

Start the students' day with breakfast and showcase your support for the next generation of scientists. *Sponsors will be recognized at the event and receive Silver benefits for more recognition at the rest of the Annual Meeting.*

Check out these amazing sponsor benefits!

Virtual Sponsorship Opportunities will be announced soon!
